1

Match the board pieces to the numbers on the board image above to find your first two pieces.

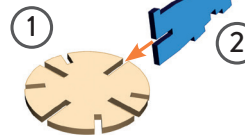

2

Pop out only these puzzle pieces from the board.

3

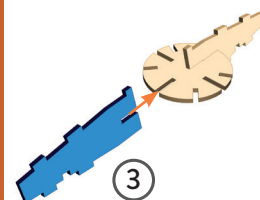

Note the direction of piece 1 for the next two steps.

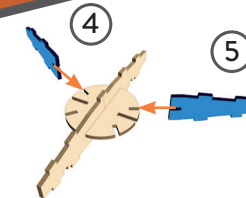

To put the two pieces together, match up the slots on each piece. Slide together.

4

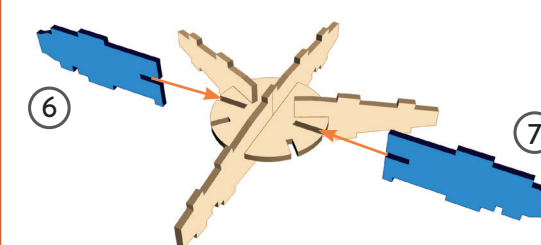

Continue assembling by putting pieces together in numerical order.

5

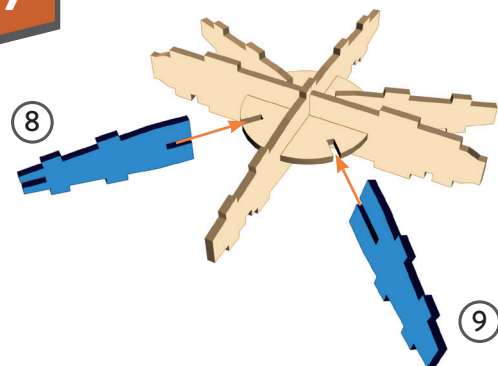

Don't push these pieces all the way to the center. Just push them until they are securely attached.
