MAKE IT YOUR OWN

Before you start building and decorating your model, read through the instructions so you understand how it all comes together. Then make a plan—hula dancer or golfer? What about a purple minion? The choice is yours! Here is an example of Dave the Minion to get those creative juices flowing.

PLAN

For this project, assemble everything except for the eyes and shoes. Paint those separately.

TECHNIQUES

A small flat brush and a tiny detail brush will make painting this model easier.

COLOR

Start by painting all of the yellow on the minion. Follow up with the blue and finish with any black details.

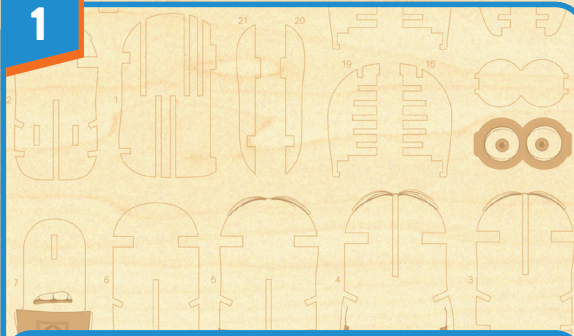

ACCESSORIZE

Paint the goggles with silver paint last.
