MAKE IT YOUR OWN

Before you start building and decorating your model, read through the instructions so you understand how it all comes together. Then make a plan. Do you want to cover Raphael in sewer slime? What about making him pizza-themed? The choice is yours!

PLAN

For this project, assemble the model except for the arms, the legs, and the two sai. Paint those separately and then put them together once they are dry.

TECHNIQUES

Paint the pieces carefully. Use a small detail brush for the eyes, mouth, and bandanna.

COLOR

For a replica, a nice bright green, medium yellow, and brown will be good paints to choose. And don't forget Raphael's signature red!

ACCESSORIZE

Use an ink pen to draw in the pupils in Raphael's eyes. You can use silver paint or marker to color the sai.

1

To find your first two pieces, look for pieces 1 and 2 on the board.

2

Pop out only these puzzle pieces from the board.

3

To put the two pieces together, match up the slots on each piece. Slide together.

4

Continue assembling by putting pieces together in numerical order.
