

GIPSY AVENGER

BUILDING INSTRUCTIONS

Manufactured in Shagamu, China 0112017

READ BEFORE ASSEMBLING:

- Go through the instructions one step at a time.
- Don't punch out all of the pre-cut parts at once.
- Plywood thickness and color may vary.
- While not necessary, glue may be applied if desired.
- If you have trouble punching out the small pieces from the board, use tweezers or a toothpick to help.
- Adult supervision recommended.

WARNING: CHOKING HAZARD - CONTAINS SMALL PARTS. NOT FOR CHILDREN UNDER 3 YRS.

MAKE IT YOUR OWN

Before you start building and decorating your model, make a plan. Do you want to make an exact replica of the project below or create something of your own design? Anything goes!

PLAN

For this project, study the image shown very carefully. It's best to paint the frame of the model before assembling the outer pieces of armor with engravings; this way hard-to-reach crevasses are easily painted. Be sure to use a very light coat of paint so those pieces are easily attached later.

TECHNIQUE

Use a fine paintbrush and take your time. A very fine paint pen can also make some of the small details easier to add.

PRO TIP:

Add some depth to your Jaeger by using darker or lighter shades of blue and silver. This will create more of a 3D effect and create the perfect look for your model.

PROCESS

Start by painting the frame of your Jaeger a dark blue and let dry. Then finish assembling the model, and, using the image shown, paint the remaining dark blue areas. With a thinner brush, add silver to the metallic sections of the Jaeger, including the center chest piece. Next, using white and red paint, add the remaining accent details. Finally, take yellow and orange paint to paint over the silver on the center chest piece and add the finishing touch to your model.

1

Find pieces 1 and 2 on the board.

2

Pop out only these puzzle pieces from the board.

3

To put the two pieces together, match up the slots on each piece. Slide together.

4

Continue assembling by putting pieces together in numerical order.
