MAKE IT YOUR OWN

Before you start building and decorating your model, make a plan. Do you want to make an exact replica of the project below or create something with your own Batman™ flair? Anything goes!

PLAN

For this project, it's easiest to paint your model with all of the pieces assembled.

TECHNIQUES

Use a standard paintbrush, and take your time so that you get an even coat of paint on the model.

COLORS

The Batman logo is all black. Make sure to paint over all of the edges of the model so that your Batman logo is as dark as the night sky over Gotham.
